

# Unto us a Son is given

December 2018

Dear Prayer Partners,

The angel of the Lord announced in Luke 2:11, *For unto you is born this day in the city of David a Saviour, which is Christ the Lord.* Three titles are given to the Lord Jesus here: Saviour, Christ (the anointed Messiah), and Lord (Master, God). We must share everywhere we go the proclamation of the death (blood atonement), the burial, and the resurrection of Jesus Christ—His Gospel (Good News)!

Since our June prayer letter, a full report of mission trips and professions of faith through the Christian Laymen Assisting International Missionaries (CLAIM) ministry has not been given. A total of **12** CLAIM mission trips have taken place since June. Five of these were Medical Missions Outreach Trips. There were a total of **4,208** professions of faith as a result of all 12 of these mission trips. Praise the Lord and to God be all of the glory!

Our October CLAIM mission trip to the Dominican Republic proved to be very fruitful. Several construction projects were accomplished. Some of our ladies ministered in public schools. As a result of this trip, there were **48** professions of faith. The lady in this photo, Cindy, has been diagnosed with stage four brain cancer. Please pray for her. Yet she went on the trip and worked as hard as anyone. She could be the “poster child” for people who make excuses for not going on a mission trip. However, she determined to live out her life to the glory of God. Would you seriously pray about going with us on a CLAIM mission trip?

Thanks to all who pray for us and support our ministry. We are grateful to represent you on behalf of the *Saviour, which is Christ the Lord.* We pray for you and yours to have a blessed Christmas and a prosperous New Year for His glory.

Forever in His Service,

*Carl and Glenda Vonnoh*
