

BAPTIST AMBASSADORS FOR CHRIST

“WE ARE AMBASSADORS FOR CHRIST.” II COR. 5:20

Dear Pastor & Friends:

March, 2017

We are thankful that it has been quite a few months since we have had to talk about health issues. However, we need to ask special prayer for Carolyn right now. She began having a low-grade fever about two weeks ago. After several visits to the doctor he decided it would be best to put her in the hospital and run a series of tests for viruses, bacterias, do a CAT scan etc. They started her on antibiotics right away but the fever persisted and began to rise. She had no pain so that was making the diagnosis a little more difficult.

S

Today March 4, she has been in the hospital in Guadalajara for 12 days. The fever is basically gone but we still don't know what the source of the infection was. She has about 4 more days of intervenous medicine and hopefully she can go back home. Of course her immune system is practically zero due to the kidney transplante, so she is really quite susceptible to almost any disease or germ. We are thankful there has been no pain involved and evidently the medicine is taking effect. Please pray for her complete recovery with no after effects. We may not ever know what was causing the fever, but the Lord knew all along and He has helped us through this difficult time.

Bro. Angel Torres who is the national pastor of the Guadalajara church is also having some difficulties with his health. He has suffered from psoriasis for several years and now it is affecting his joints with a lot of pain. Add to this 3 herniated disks in the back that need surgery and at times leave him flat of his back. He is in his early 40's and is doing a great job pastoring the church. He needs your prayers as well. This week after returning from a preaching engagement, his car broke down and the price they are asking to fix it is a little over \$2000. He is strong in the Lord but his faith is really being put to the test right now. We are glad we are able to help out some with the teaching and preaching.

Remember that your MISSIONARIES ALWAYS NEED YOUR PRAYERS. The Devil would like to defeat us all, but God is OUR REFUGE IN TIME OF TROUBLE. We are counting on you. God bless you as you endeavor to do your best for Him.
