Dear Dr. Kelley and Friends:

As I contemplate the journey to Uganda that God began for Kristy and me back in 2002, I think of the many wonderful individual and church partnerships with people who have prayed and sacrificed financially for us through the years. Some of the friendships started from the beginning; others have joined along the way.

We went to Uganda as a family of 2 (Tony and Kristy). Now we are a family of 7 (Tony, Kristy, Eliana, Elijah, Elexis, Elysse, and Ellora). You have prayed with us through the trials of Kristy's multiple pregnancy complications and Elysse's surgeries. You have been excited for us as God helped us to open a Christian school with orphan boarding section in Masaka town at Masaka Independent Baptist Church. Then you prayed with us again as we relocated the Christian school and orphan boarding work to the village of Mbira to help Pastor JJ start a church. Now in 2019 we are helping with our second church plant, Faith Baptist Church. Many more people have come to Christ, been baptized, and are being discipled.

Thank you so much for the faithfulness you have shown to our family and ministries through the years. We are looking forward to continuing our partnership with you in ministering for many more years to come.

For His Glory,  
Tony and Kristy Applegate/Eliana, Elijah, Elexis, Elysse, Ellora
