**PRAY FOR US AS WE WORK IN
VENEZUELA**

August 2019

Dear Friends,

Thank you for the boxes of food, clothes, and medicines that you have been sending to us. Yesterday I was with some pastors opening the boxes and dividing all the stuff into groups, and the pastors helped me to distribute them. We could see such joy and happiness in their faces and their hearts as they received these gifts. From the bottom of my heart, thank you!

I need your prayers in a special way. I am going to have a meeting with some pastors and teachers of the Venezuelan Bible Institute to decide what we are going to do about the classes. The situation here has become almost impossible because of the blackouts that are more and more frequent. Many states are without lights and without internet. We have been without electricity for three days now. Sometimes the blackout will last a week or more and one time it was for a whole month. The students of our Bible Institute live all over the city and have to use city transportation, which is large buses and minivans. Gasoline is scarce right now, and sometimes the lines to get gasoline are many, many blocks long. We will wait for hours to get gasoline. We also have problems to get motor oil and tires. I need you to pray, pray, pray in a very special way that God will solve these problems for us. We start back up with classes in September. Our Bible Institute is the training and preparing place for new pastors and teachers and workers for the Lord. I know that God will help us, but He teaches us to pray for one another in our needs. Would you please be part of this prayer team because I know God is going to work miracles in this situation. Please pray, pray, pray.

May the Lord bless you,

Carlos & Susan Arce
