January & February 2021

Dear Pastor and Friends,

Glory be to God that even though it has been a very difficult and hard year, because of all the problems this country has been going through, but through it all God has shown Himself even greater and more powerful with His people. God is good!

The churches here have continued strong, and growing. We continue to baptize new Christians and disciple the new believers, and we are starting new works.

When we started visiting a new area called Los Sin Techos (without roofs), we sent the people in two by two down the different streets. One lady received Christ as her Saviour, but each week that we would go back to disciple her, the husband Javier didn't like it. One day Javier arrived frustrated from work and drunk as usual and threw us out of his house, all of us that were there discipling. Another day when he was going through a very difficult time in his life, after we had visited him several times, Javier gave his life to Christ and was saved that day. Now he is saved, baptized, and a student in our Bible Institute, and one of my right arms in the church. He is an untiring servant of God. God is continuing to do miracles.

We were able to get bicycles for Javier and the secretary Rosita and for several others in the church with a special offering that was sent to us. With the long lines that last hours and days to get gasoline, there is still so much shortage here. These bicycles are a great blessing to many.

Even with bicycles the church continues to advance forward for the Lord. Glory be to God!

May the Lord richly bless all of you,

Carlos & Susan Arce  
Your missionaries in Venezuela
