US MILITARY Ministries

Spring 2022

Dear Prayer Partners,

Our hearts and minds are ever on the needs of our Armed Forces, especially with the recent turn of events in Europe. Please be in prayer for our men and women who have been deployed to that region. Of course, our Military churches in that area have been greatly affected as well. As troops are moved and as refugees come into the area, we are seeing numerous opportunities for showing the love of Christ physically as well as spiritually. Please pray for these efforts to be fruitful in light of eternity.

This spring we were a part of the beginning of a Men's Ministry in Spring Lake, North Carolina. Under the direction of some of our military's finest Christian men, both veterans and active duty, this inaugural event challenged men and boys of all ages to fulfill their biblical role in life. We are excited to see how the Lord will use this as an instrument of discipleship in the Fort Bragg community.

It was with a heavy heart that we recently laid to rest two of our faith Military missionaries, according to their professed faith and trust in Christ as their personal Savior. Bill McClure and Junior Parker have finished their course here on earth and are enjoying the presence of their Lord in Heaven. Please remember their families during this time of loss. Both of their memorial services were full of stories of how they impacted military men and women across the globe during their decades of faithful ministry. Would you pray that others might surrender their lives in service to this worthy cause?

While in a recent Missions Conference, we had four individuals express an interest in pursuing opportunities for ministry to our men and women in uniform. It is exciting to play a small part in these types of decisions. Also, this season we have had the privilege of speaking at a Marriage Retreat weekend and Kris spoke at a Ladies' Luncheon. We are grateful for each and every instance that we can share the Good News of Christ's love and salvation whether to an individual or in a group setting. It truly is our purpose for doing what we do.

Thank you for your continued prayers and support as we seek to serve those who serve at home and abroad.

Very respectfully,

Bryan Baggett
