

July 2019

Dear Friends,

In recent days, we have been excited to meet Sailors, Airmen, Soldiers and Marines overseas. Some of these encounters were on the streets of local cities while handing out tracts, others we met while visiting their bases of operations to get acquainted with where they live and work. But the greatest joy came when we gathered together around the Word of God in church. Thank the Lord for the churches that He has allowed missionaries serving with BIMI to establish and maintain over the years!

Just a few weeks ago we traveled to Germany to visit several military churches and missionaries. We also participated in the BIMI European Military Field Conference at Heritage Baptist Church, Mehlingen. For those of you not acquainted with a Field Conference, it is a time for military missionaries serving all over Europe to gather for refreshing, reporting and renewal. It was exciting to meet with these faithful servants of the Lord and to hear about the souls in their care. We were truly humbled to stand with those who represent over 278 years of combined military ministry service. It was also a blessing to have our daughter, Katie, join us on this trip. She was privileged to provide classes for the children of the missionaries who attended this conference. What a joy to have our children serve the Lord with us!

It is our honor to let you, our prayer warriors, know that Bryan was appointed this month to be the Director of Military Missions at BIMI. As we seek to follow the Lord and surrender to whatever task He puts before us, we are looking with anticipation to all that He has in store for this ministry so rich in heritage. William Carey, a missionary from times past, once said, "Expect great things from God; attempt great things for God." As we attempt to serve in this great capacity, we expect Him to continue to order our steps in this walk of faith. We expect Him to continue to do great things in the ministries of our BIMI military missionaries. We expect Him to continue to do great things in the hearts and lives of our US service men and women.

Please continue to ask the Lord for safety on the road and in the air, as we travel literally around the globe.

Serving those who serve at home and abroad.
