

October 2022

Dear Praying Friends,

God has answered your prayers concerning Japan! As of October 11, the doors for our travel to this country will be wide open. Due to COVID restrictions, we have not been able to travel to Japan since our last trip in 2019. Therefore, on October 27, we will leave for Tokyo from Seattle, Washington, after two weeks of meetings in that area. Because of previously scheduled meetings in Georgia, our stay will be short, just four days. But we hope to be able to see the majority of our military missionaries serving there because they will be gathered together for a meeting at Yokota Baptist Church with Pastor Danny McKittrick. Our hearts are thrilled to be able to see these faithful servants face to face once again. Please pray for safety and strength as we make this trip and pray that the Lord will use this time to be a blessing to those living there.

Two weeks after returning from Japan, we will be headed to Germany for a time with our troops and our missionaries there to include the Thanksgiving holidays. We plan to provide the Thanksgiving meal for those who are able to join us. If you would like to help financially in providing for this meal, just let us know. We are looking forward to this opportunity to have boots on the ground where our men and women are serving. There is nothing like having someone from your homeland visit you when you live overseas and we are honored to be able to do just that.

As the Director of the Military ministries of BIMI, it is our hearts' desire to make yearly trips to both sides of the globe in an effort to encourage and, Lord willing, expand our church planting efforts among our servicemen and women. Some of you have asked, so we will take just a moment to explain. We do not receive a salary or trip reimbursement from BIMI. We are only able to do what we do because of the generosity of churches and individuals who choose to partner with us. We deeply appreciate all that you give to make it possible for us to travel to where our troops are.

Since our last letter, we have had meetings in Alabama, California, Florida, Michigan, North Carolina, Pennsylvania, Tennessee, and Texas. In one meeting, Bryan was preaching on an Indian Reservation and a dear lady responded to the invitation to trust Christ as her Savior! We are so excited to be a part of God changing people's lives and hearts for eternity. By your prayer and financial support, you too are a part of these great victories. Thank you!
