

Dear Friends and Family,

November 2019

We hope that this letter finds you doing well. We have stayed busy here. Jeremy has continued to help with the visitation at the church. While we were visiting a few months ago, we met a teenager and his mother who were from Nicaragua. His mother called upon Christ to save her. Since then, she had to return to Nicaragua and left her son in the care of a church member. Since then, he has been very faithful in the church. Every week he has been excited to help us out in visitation. Although another family had to move away, the church has been growing. Jeremy has been teaching on God's plan for the family as well as on the sufficiency of the Scriptures for faith and salvation. Jeremy has also been working on various materials for the current church and our next church plant. Near the end of the month, we were contacted by our lawyer about some issues with the religious association that was helping to sponsor us here in the country. We are praying about establishing one which will be sufficient for our church, other ministries, and even to help other missionaries with legal residency. We have gradually been shifting our focus more to our plans for the next church plant. Jeremy has been sharing our plans with others. There are now a few different churches that have expressed the desire to help. There are also two other families who are planning to help us with evangelism.

Last month was very busy for our family. Because we are still awaiting approval of legal residency, we had to take another short trip to Nicaragua. There is a small shack on the Nicaraguan side which serves food. While there, Jeremy was able to share the gospel with the people there. While we now feel like experts at border crossing, we look forward to no longer having to do it. The kids have been doing well. We had some sicknesses which made things more difficult, but we are better at the moment. Lila has been doing great in school and got excellent grades on her exams. Ellowyn has also been getting much better at her Spanish. Elijah has even surprised us with words we never taught him. At the moment, we are at home without a car. It is getting repaired from when a motorcycle hit us 6 months ago. We are still awaiting another replacement part from Japan.

This month, please pray:

1. That God use our ministry to save souls and add them to the church.
2. That God will help the church to mature spiritually and give them a burden for the lost.
3. That God will lead us as we make plans for the next church plant.

In Christ,

Jeremy, Michelle, Lila, Ellowyn, and Elijah Blanz
