*Dear Praying Partners,*

*Your prayers for us have been much appreciated. Here is why.*

*Paul Bach and I were supposed to have been in PNG preparing the airplane for shipment back to the States. At the last minute we had to postpone that trip. Still there are travel restrictions in place for that nation. The roads out of Wau have been all but impassible the last few months. So, we would not have been able to get the plane out to Lae.*

*There were a few good blessings here while we are waiting. Tresa Rowe (daughter) was able to visit us and help me set up a translation program on my laptop for Chick Tracts. I was able to attend grand - daughter Naomi's wedding last week.*

*Pray the Lord will give us wisdom as to when to try to make it back to PNG.*

*Mary continues to be stable for the last year now. So, thank you for praying.*

*Shalom,*

*Jungle Jim*
