FEBRUARY REPORT

Even by ZOOM! As I have previously reported, once a month I preach by ZOOM at the Kameoka Bible Baptist Church in Japan. When I preached there in December, a young man in his twenties made the decision to believe in Christ. God can save people even through ZOOM!

All the Way from Hiroshima Mrs. Magoshi discovered the Kokura Bible Baptist Church broadcast on You Tube and decided to attend. After coming several times, she decided to get baptized and become a member of the church. Here's the catch. She lives in Hiroshima. Hiroshima is a three-hour drive from Kokura. It even takes one hour on the Bullet Train.

Ministry Opportunities Even though I am supposedly "retired," I stay quite busy. As I stated earlier, once a month I preach by ZOOM at the Kameoka Bible Baptist Church. Last month, I preached by ZOOM at two churches, the Kameoka church and the Kokura Bible Baptist Church. I preach at least once a month at the church where I attend, Lone Oak Missionary Baptist Church. Every Tuesday morning, I teach a Bible Class at a senior citizens home. Every other Wednesday night, I help with one of the children's classes. This month I will participate in a Missions Conference in Melbourne, and next month I will participate in a Missions Conference in St. Petersburg. Please pray that the Lord will bless these ministry opportunities and continue to use me in His service.

Thank you for the support of \$100 in December and \$100 in January.
