JUNE REPORT

NEW MINISTRY AT THE KOKURA CHURCH Kayla Winters, the daughter of Missionary Mike Winters, has started two new English classes on Saturdays for adults. There are also several unsaved ladies interested in a Bible study. Mrs. Terai, while slow to admit that she is searching for the truth, is struggling after her Christian friend passed away. She has been asking Kayla a variety of questions about the Bible. Please pray for her.

NOT AS YOUNG AS I USED TO BE Although I am 82 years old, I worked in the Vacation Bible School held at my church Sunday through Thursday. By Thursday evening I was exhausted. However, I shall continue to work in VBS as long as I am able for it has special significance to me. I was saved at VBS at the age of thirteen.

JAPAN WAS #8 A recent research study listed the ten least religious countries in the world. Japan was ranked in eighth place. I found that to be true during my long stay in Japan. Although the Shinto and Buddhist festivals shown in media appear to show a country with religious zeal, I would say that the vast majority of Japanese people are materialistic atheists.

STILL PREACHING Every month I preach by ZOOM at the Kameoka Bible Baptist Church. This month I will preach twice. Also, recently I have preached four times at the church where I attend.

Thank you for the support of \$100 in April and \$100 in May.
