

**Baptism and Barbecue!** On September the 20th the Kokura Bible Baptist Church celebrated its 35th anniversary. Brother and Sister Katoh and Sister Aridome (age 88) were baptized. There was an all-you-can-eat barbecue party in the afternoon. (Photo attached.)

**Corona Update** New cases of the Corona virus have decreased steadily in recent weeks. Two days ago, there was only one new case in all of Fukuoka Prefecture and only two yesterday. There have been several days when there was not even one new case in Kitakyushu City. The evangelism of the Kokura church has been greatly hindered by the virus, but we hope to resume church flyer distribution soon.

**Mike Winters Family** Mike and Becky Winters have become an important part of the ministry of the Kokura church. Mike helps with the preaching, Becky is involved in the ladies meetings, and Becky and her daughters, Kayla and Alyssa, are helping in the Kids Bible Club. Thank you for the support of \$100 in July and \$100 in August.
