

Dear Praying Friends,

March 2021

One of my prayers while I was on deputation was that while the Lord was preparing me for my place of service, He would also prepare the place of service for me (Deut. 1:33). To His glory, He surely has prepared the way before me! It has been my desire for some time to start a Bible club for the children in my apartment complex. Since my arrival, I have become acquainted with most of the children here, and I have been surprised and overjoyed to find three that seem to be already saved. One was won to the Lord just a month ago by Kay-Leigh, the Shelby's daughter, and these young girls seem to be hungering for more. Praise the Lord for their softened hearts and desire for growth!

Since the children have been kept back because of Covid from many of the outside activities they had been used to, they were very excited when we started some activities on Saturdays. Last week, we passed out fliers to the apartments in our complex and started our Bible Club officially this Saturday! Please pray that the Lord will work in the hearts of these young ones!

Also, the Shelbys and I have been able to travel to several churches in different towns. I have enjoyed meeting church ladies that I may be able to work with in the future. The churches that did have children's classes before are just now able to restart them after nearly a year because of the health restrictions. What a blessing it was to be a part! As I listened to the children sing, I had to pause for a moment to praise the Lord and think, "Am I really doing this? Am I really beginning my own ministry in Kenya?" It used to be what I dreamed about as a girl; it was my goal as I prepared; and now, what a joy it is to be doing it!

I have had several requests for a video update and would like to make it available to others who may want it. You can watch it by going to this link or by emailing me.

Thank you for the prayers and support that have helped me get to this place!

In His service,

Erica Bohman
