

THE BOHMAN FAMILY

AFRICA FIELD DIRECTOR

September 2024

Dear Praying Friends,

There are few things that thrill us more than serving the Lord on the African continent! In our recent travels, we went to Côte d'Ivoire (Ivory Coast) where we were privileged to teach and preach in the ministries of Bob and Becky Mach, who have labored there for nearly thirty years. We later held a field conference with many of our missionaries in the West Africa region. It was a wonderful time of fellowship and instruction!

Afterwards, we traveled to the Republic of the Congo and spent time with Caleb and Kelci Caviness (pictured at right) who just completed their first year on the field. After finishing French language school, they went to the Congo and are now learning Lingala, one of the main languages in the country. We are so grateful for how well they are learning and adapting to this new country.

In the meantime, a new church has been planted with our former ministries in Kenya! Our national leadership started this church several months ago in the village of Ngarenarok among the Turkana people. There have been 131 decisions for Christ and 28 baptized recently!

Praise the Lord for all He is doing with our missionaries and national laborers! Let's pray for more!

Until all nations hear,

Eric Bohman
