Dear Brethren in Christ and Friends:

*"But if from thence thou shalt seek the Lord thy God, thou shalt find him, if thou seek him with all thy heart and with all thy soul"* Deuteronomy 4:29. May the Lord help us to always seek Him with our whole heart.

By the grace of God, He brought us through this far. Hard to believe, we have been living with the pandemic for more than a year. No matter what happens the Lord keeps reminding us that He is in control. We are in His precious arms. *"For to me to live is Christ, and to die is gain."* We are on the winning side with Him (Philippians 1:21).

Thank the Lord in spite of the high virus spread here, our church services have not been canceled since we reopened in May. We have seen spiritual growth on many of our members. Some people have gotten used to staying home; we are praying the Lord will bring them back.

We are blessed to share that the Lord allowed us to lead two cousins to Jesus. We constantly pray for our relatives to come to the Lord. For several years we have been praying also for the mom of one of our teacher's; she was diagnosed with cancer. My wife called her to once again share the message of hope in Jesus; the lady finally gave her heart to the Lord, praise God. Witnessing to an older man, we realized he was hard of hearing so we tried to sign to him; he knew no signs. My wife took her mask off for the man to read her lips as she emphasized her words. The man received the Lord and he was so happy to realize he is going to heaven now. It was a joy to watch his facial expressions. Another lady was invited by my brother-in-law and his wife to watch our church services online. After the preaching, during the invitation to receive the Lord, she expressed her desire to receive the Lord. My wife called her and led her to Christ. Glory to God!

We pray the Lord will constantly burden our hearts to win people for Christ in this hopeless world with so much death all around us.

Two faithful men from our church, Nazario and Washington, have gone to heaven due to COVID-19 within one month. We miss them very much. They loved and feared God. Please pray for Nazario's three children who need the Lord; the daughter Patricia is very close to coming to the Lord. Pray for Henry, Washington's deaf son, who is having a hard time accepting his father's death.

We are grateful for your partnership with us in the ministry. We cherish your prayers; thank you for the much needed financial support. May the Lord meet your every need.

Serving our soon coming King,
