Dear supporting churches and praying friends,

December 2019

We hope each of you enjoyed a wonderful Christmas season celebrating our Saviour. May this new year be one of growth in all areas of our lives!

Christmas Blessings

We had a wonderful and busy Christmas season of ministry here in Indonesia. Kezia invited our Meeting Point Ladies over to our home for a Christmas party where they **baked cookies and put together gift bags for the children and women at the Ruth House, a local orphanage and women's home.** Our family dropped off the goodies later that week and the children and women were very appreciative.

Our family enjoyed a quiet Christmas morning. For Christmas dinner, we invited four of our young people over. They are from a remote Indonesian island but are living here in the city to study. They are also young in the faith - all of them have been saved within the past couple of years. Although they have just started attending Meeting Point in 2019, they are some of our most faithful in church and serve in our music ministry. They are so eager to grow in the faith but still struggle with some issues from their past, especially since their families are Muslim and do not know that they have professed their faith in Christ. **For their safety, we cannot mention their names but please pray for these four our young people.**

Starting the New Year with a New Opportunity

On New Years Eve, we enjoyed a fun night with some of our Meeting Point family at our home. This was an especially memorable night for our family because it was Thomas' first time giving a devotional completely in Bahasa! Our people were very encouraged and even responded with some more questions for him afterwards. **Please continue to pray for both of our journeys in language learning.**

We will have more ministry responsibilities to shoulder this new year and we understand it will be a busy time. Please pray for spiritual wisdom as we have many big decisions to make this year on the field.

In His Service,
Thomas, Kezia, Kalel and Erielle Bui
