December 2019

Dear Pastor, Church Family, and Friends,

Merry Christmas! I trust all of you had a wonderful Thanksgiving and ate too much turkey. We enjoyed our

Thanksgiving.

Thanksgiving is not a holiday over here, but we introduced the concept to our church. I preached on giving thanks the Sundays before and after Thanksgiving, and the Sunday before, we had a meal after the service. However, we did have rotisserie chicken instead of turkey. We had a good turn out with three first time visitors and two more that made it in time from the meal. Meanwhile, Eliseo and Jelisa remain very faithful along with his dad, Doming, and their friend, Roselyn, who are both still unsaved.

Please continue to pray for their salvation.

On another note, we are very excited about Jason and Jessica Stanley, and their three children moving here to work with us. I know I have mentioned them before, but they now have their visas and plane tickets in hand. They arrive on January 15th! Please pray for them as they continue to raise moving funds and for their move. Pray also, that we can be a blessing to them as they come to work with us.

I would also like to say thank you very much to all of you who sent extra support for Christmas! It is always such a tremendous blessing, as it allows us to buy Christmas presents for our family. I know those of you that know our boys, Nick and Sam, are thinking they only deserve to get lumps of coal for Christmas. And though I can relate to the Grinch far more often than I should, it is nice to be able to get them gifts. So thank you very much for thinking of us extra during this time of year! I hope you all have a wonderful Christmas!

Thank you all for your prayer and support,

*Markie Bullock*
