Wow, God has blessed us! I am simply amazed by God's goodness. We have had such an incredible and eventful few months. Our survey trip was extremely beneficial. We learned so much helpful information in relation to preparing to go, understanding more about Ethiopian culture, the current living climate, recent major events, the dire economy, and just getting a small sample of everyday Ethiopian life. Our eyes have truly affected our hearts in a major way. After seeing so very many Ethiopians every day of the two weeks we were there, our love for Ethiopians has greatly grown and our hearts have received a God given passion for their souls.

I have found myself weeping when pondering on the great masses of people. (Matt 9:36) I understand, even with a lifetime of full devotion, I could probably not make any significant dent on the dire state of living of the Ethiopian people, but I firmly believe by God's grace and power, in respect to their eternal spiritual life, that God can use us to turn Ethiopia upside down. (Acts 17:6). Please, pray for God to do the impossible in Ethiopia. Please pray that as we go to share the Gospel, that it will spread like wild fire in their hearts. Please pray that the massive potential opposition to the Gospel we could face in a country of so much religion and anti-Biblical tradition will find no ground, no power, no place before our almighty God. (John 16:33)

We are excited as ever, full of joy, and look in hope to the future for what God has in store for us and Ethiopia. We are so thankful to be simple servants to our worthy God.

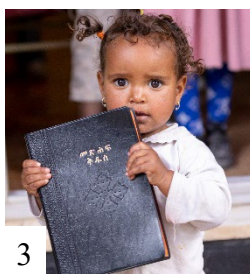

Thank you for your continual prayer and support, Timothy and Jennifer Bundy
