## Missionaries to the Deaf

*“There is no speech nor language, where their voice is not heard.” Psalm 19:3*

We praise the Lord for 3 more Deaf who have made a profession of faith in Christ and who have been baptized since our last report. Pray for them and their new walk with the Lord. We have also been able to complete our new platform and it looks beautiful! The Deaf are enjoying the fact that they are able to see much better with the new height.

My wife received an unusual phone call recently from a reporter at the Columbus Dispatch newspaper. Someone mentioned our church to her and the newspaper wanted to do an article on a Deaf church. The reporter and photographer showed up for our Sunday morning service and did a great job talking to people afterward. We were impressed with the complimentary article that was written which allowed for more local exposure.

We were privileged to have Bro. Bob and Jennifer Larson with us from Reseeding America, my wife had the opportunity to speak at a Deaf ladies retreat in Texas, and we just returned from a missions conference with Pastor Blount and the great people of Lighthouse Baptist Church in Ludington, Michigan. Please pray as we begin our first "official" Missions Revival at LifeSigns Deaf Baptist Church starting this week. Recently, we have been speaking about the different types of giving. One Deaf man who is on a low fixed income came up to me and said that he wanted to start tithing. After doing this for a couple of months by faith, he excitedly came up to me and said that he had gotten a new job with better pay! Love how God works.

In March will be the end of the 2nd year of our 5 year goal to pay off our church mortgage. So far we have been able to pay off almost 44% of what we owe due to the giving of our own people and the generosity of others. This has been a miracle in the making! Can you help us reach the 6% to get us halfway there? ANY amount gets us one step closer. This is the time of the year for conferences and giving--would you please keep us in mind as you consider who you can help? If you cannot do so at this time, **please pray** that others can help us in our efforts.

**Thank you for your consideration.** Our most recent video of ministry is available on YouTube under “The Miracle of LifeSigns Deaf Baptist Church—2022 church update video.”
