Dear Prayer Partners,

As we come to the end of 2019, Joyce and I want to thank you for your faithful prayer and financial support. This has been a year of seeing God work in our lives and the lives of those we minister to. There have been ups and downs, but through them all God has been at work.

God has blessed. Souls have been saved, believers have been baptized, and Christians have grown in the Lord. We praise the Lord for allowing us to exceed our Faith Promise Mission's promise again this year. We count it a privilege to contribute to 26 missionary and missionary projects monthly. We taught our churches in Taiwan to do the same, and praise God, after all these years, they are still faithful.

God has blessed even in the hard times. When a Chinese cult tried to infiltrate our church this year, God revealed what they were doing. We confronted the person and have not seen them since. Also, for several years I have been having problems with my sight. I have had cataracts removed from both eyes. My sight isn't perfect, but it is much improved. The macular degeneration in my left eye has not worsened. Praise the Lord!

This coming February Joyce and I will enter our 49<sup>th</sup> year as missionaries to the Chinese. Looking back, it is hard to believe all that God has done. And looking forward, we can believe He still has great things to do in our lives and in His work.

Thank you for being a big part of God's blessing to us! God bless you for your faithfulness.

Yours in Christ,

*Fred and Joyce*
