

NEWS FROM NICARAGUA AND YOUR MISSIONARY BOB DAYTON

June 2019

Time marches on. We are praying that our next few months will be our best months of starting churches and winning souls.

Soul winning is a weekly outreach of the local church in Nicaragua. We are going out soul winning with the people of the church. Our folks have a big heart to win souls.

Pastor Ramon and his people gave out 25,000 New Testaments. Over 50 people received Christ. What a joy to work with our Nicaraguan Nationals.

I have prayed and asked what it would take to build a tabernacle for worship for the Mesquite Indians. It could be constructed like the one in the picture. The cost would be approximately \$25,000.

I am very grateful for you, my praying and giving partners. God has brought us this far, and He will fulfill the ministry to the Mesquite Indians.

Yours for the harvest,

Bob Dayton
