

Seth & Jennifer DEMAREST CHURCH PLANTERS TO UGANDA

Dear Pastor and Praying Friends,

31 July 2014

Greetings from Uganda! We have had a fruitful few months here at Twin Hills Baptist Church. We trust that your ministries have been blessed as well! As we dwell on the past few months in ministry here, we are reminded of what Jesus said to his disciples. ... *"Suffer the little children to come unto me..." Mark 10:14*

In June, during Saturday morning outreach, Seth was able to meet a local lady by the name of Esther. Ms. Esther runs an NGO about thirty minutes from our church for street/underprivileged children. She cares for their basic needs and sends them to school. Between the houses she runs, she has about 150 children from her community. She grew up as a street kid and has a heart for them. She has seen their need to learn about God and allows 65-70 children to come each Sunday. We are running out of space! Praise the Lord it is a great problem to have. Would you please pray specifically for the Lord to provide funds to help us build a Sunday school area for the children to meet in? Also, pray that we will have co-laborers partner in ministry with us. Currently, we only have two teachers and are in deep need of more.

At the end of June and the first week of July, we hosted our first Medical Mission Clinic! The folks from Haslet Medical Missions, a ministry of Heritage Baptist Church in Haslet, TX, brought 20 people to provide a free medical clinic for those in our church and our community. They provided free medical and optical care for everyone. In the space of 4 1/2 days, they were able to see 798 patients for optical care and healthcare! Of those 798 patients, we were able to see 45 patients put their faith in Jesus for their salvation! There were quite a few that we were not officially counted but thankfully the Lord knows every person that got saved. Many people came from all over Uganda. It was a great outreach for the church and people from the community to learn what we believe about salvation. We are thankful for the medical assistance given but most importantly, the Gospel was shared with each patient who received medical attention! We are grateful to those who both came from Haslet Medical Missions to help us and our local helpers from Twin Hills as well as other Baptist Churches in the Kampala area. It was a fantastic show of God's people working together to further His cause. Please pray that we will see the fruits of this outreach. If you would, pray for us as we reach out to those who attended. first, that those who are lost would get saved. Second, that those who got saved would become faithful to attending church and grow in the Lord.

We are so grateful for the last few months and the opportunities that the Lord has given us and our ministry here! As always, thank you for your continued support. Please continue to take us before the Lord in prayer!
