

GIVE THANKS...

12 November 2019

Dear Pastors, & Praying Friends,

Thank you for praying for us! The last few months have been a blessing in ministry. We have had the opportunity to share the Gospel with folks, had visitors come with us to church and see people accept the Lord as their Saviour. It is a blessing to see the people we have personally been around desire to come with us to church and to grow spiritually.

Jen and I are progressing in the Luganda language. We are thankful we have a wonderful teacher and that we are able to take this time to focus on language studies. Our goal is to focus on Luganda. The area in which we are praying about ministering is primarily made up of Luganda speakers. Busabala is a growing suburb of Kampala. A few men from the East Africa Baptist College and Gospel Light Baptist Church, the works under missionary James Pridgen, have begun soul winning in the area. I have been fortunate to be able to go with these young men a few times. Praise the Lord, to date we have seen 65 people place their faith and trust in the Lord for their salvation, some starting discipleship. As we have been seeking God's will, it has seemed that the Lord has been opening the door to this area. Would you pray with us as we continue to follow God's leading.

As we close the month of November, we would like to say a hearty Happy Thanksgiving to you all and yours. We have been blessed beyond measure this past year! We have just marked our one year anniversary of moving to the field, November 7. We have welcomed our third son. We have begun learning the Luganda language. Our lives have been full and there has been so much for which to be thankful to the Lord.

Thank you for praying for us as we reach Uganda for Christ,
Seth & Jen Demarest
