**DEMAREST**  
MISSIONARIES TO UGANDA

Dear Pastor, Churches, and friends,

12 October 2020

Thank you for praying for us during the lock down! I am happy to let you know that the Lord is faithful and three weeks ago the President opened churches here in Uganda. Although there are many restriction/guidelines we must adhere to, we are great full that we can meet again. It has been slow during lockdown, but now we are busy!

**Busaabala:**

We have been able to start soul winning again in Busaabala! PTL! Friday, our team went out and saw 5 people place their faith and trust in the Lord for their salvation. Then again on Saturday we went out again and surveyed the area, went soul winning, and again we saw 11 people get saved. We are looking for a place to start a bible study and looking for a suitable plot of land to buy for the church. The main road through Busaabala is a dirt road but last month the city approved the plans to make it an asphalt road. This will be a blessing, but also a challenge since the land prices will skyrocket. In the last six months they have already built two petrol stations and investors are starting to build.

**Salvations & Discipleship:**

Last month Tabule, our daytime security/Gardner, got saved. I was able to baptize him and we have started discipleship with him. As well, Evelyn our house helper, got saved. We are making plans to baptize her and Jen will soon start discipleship with her. She is taking is slowly and wants to completely understand them both.

Please keep us in your prayers as we come into the holiday season. A couple weeks ago at about 1am, we were visited by thieves. We are so very thankful for our security guard at night. James noticed a man looking through the fence on the top of the wall and proceeded to shoot him with the bow and arrow. The thief spotted him and ran off and thankfully his was not shot. We haven't seen him coming around since and are thankful for the Lord's protection. Thank you for faithfully praying for us!

In Christ,

*Seth & Jen Demarest*
