

THE BOHMAN FAMILY

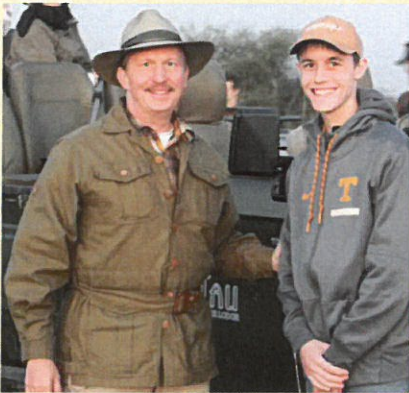

AFRICA FIELD DIRECTOR

July 2019

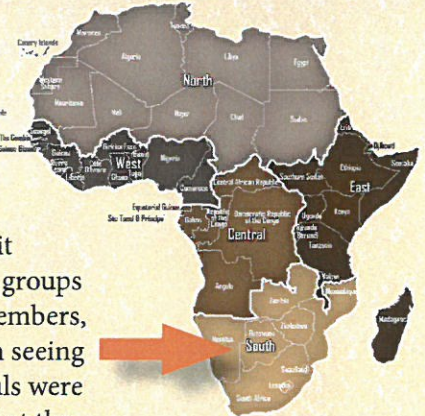

Dear Praying Friends,

This summer has been a whirl of activity! The first week of June was our Candidate School where we had fifty-two missionaries attending. At right are pictured our Africa missionaries who attended the school.

They are going to the countries of Mali, Zambia, Uganda, Kenya, and the Republic of Congo. Lori and I are so thrilled to see the incredible servant's spirit in these quality new missionary couples. One of these, Josh Clay, surrendered to the country of Mali at the conclusion of a presentation on the needs in Africa that I gave five years ago!

After this week, it was off to the country of Botswana (location at right) where I conducted two trips this summer to visit missionaries Mike and Cindy Haley. The groups consisted of four pastors, their church members, and several others who were interested in seeing the mission field first-hand. Scores of souls were led to Christ as the Gospel was presented at the church, multiple schools, a couple university campuses, as well as door to door. My nephew, David, (pictured left) joined me on one trip, which was extra special!

In between the two trips, we had Camp BIMI where thirty-three students were taught about missions work by all eleven field directors, on-field missionaries, and staff. It was an amazing time of class instruction, hands-on learning, and stirring preaching. Check out the website www.bimi.org for more information and pictures! What a great summer the Lord gave, and now we are looking forward to an even greater fall season!

Until all nations hear,

Eric Bohman
