CHURCH-PLANTING MISSIONARIES TO INDONESIA

August 2019

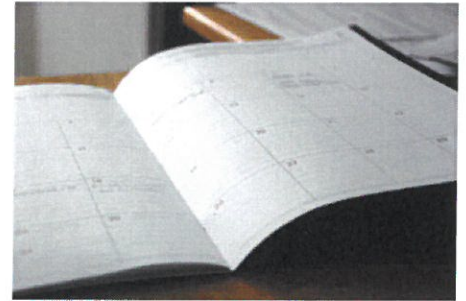

Dear Fellow Laborers,

The month of July was our first month of deputation. We started booking meetings and traveling full time as of July 22. We are working hard to raise the needed financial and prayer support in order move back to Indonesia as quickly as possible. **What a joy it has been to fellowship with believers and to see churches faithfully proclaiming God's Word.**

Our calendar is filling quickly as I call each day. I ask that you would pray that we will book meetings with churches that will partner with us as we serve long-term in Indonesia. There are still openings in August and September that I am working to fill. **Contact me if your church would like to learn more about the need for more churches to be planted in Indonesia.**

A special thank you to each church that has supported us when we were on the field before. Please rejoice with us and thank God for how he has worked in our lives these past few years that we have been in the States. If you have not heard our story, you can read more on our website.

Will you prayerfully consider partnering with us as we go back to reach the world's largest Muslim country and the world's 4th largest country?

Thank you for praying for our family and for the ministry to which God has called us.

Reaching Indonesia for Christ,

Josh, Elizabeth, Hannah, Joseph and Olivia

PRAY WITH US:

- Souls to be saved during deputation
- Saints to be surrendered to go into all the world
- Support to be raised quickly (prayer and financial)
