CHURCH-PLANTING MISSIONARIES TO INDONESIA

Dear Fellow Laborers,

June/July 2021

Just when we thought things could not speed up, even more, it has happened! **We are at 87% of our support!** Praise the Lord for God's work in so many churches as they have partnered with us. We appreciate the individuals that have partnered with us too. Thank you all for your generosity. **We have also had multiple gifts given to help us with the move and set up in Indonesia.** I have crossed out the needs that have been met below.

Any gift to help with our launch of ministry can be mailed to our mission board and marked "Ewing Set Up," or one can also give online at visionmissions.org/give and designate our name through the drop-down menu and with a comment of "Ewing Set-Up."

Indonesia had opened up for new visas but has since stopped receiving applications. This change is in an attempt to lower the cases of Covid. Indonesia is trying a close down for July. **We will need 3-4 months for our paperwork to be processed, so we are setting a departure date of December 31.** This plan will give us time to finish raising our support, saving for our setup fund, and complete the paperwork for our visas. Would you please pray for this to go smoothly? **Also, pray that the Lord will use us greatly during this time to see people saved and Christians encouraged. We are praying for more people to surrender to serving in missions as well.**

One last thing on our hearts. Would you pray for a man with whom I've been able to share the Gospel a few times? He says that he wants to do better, but we know that he needs to turn and trust in the Lord.

Reaching Indonesia for Christ,
Josh, Elizabeth, Hannah, Joseph & Olivia Ewing
