Dear Praying Pastors and Churches,

Prayer

“A Preacher once said a Pastor who is not praying is playing, and the people who are not praying are straying”. I was told that before I even came to my mission field, one man and three other girls were praying about the country and that God would send missionaries and I believe we are the answer to that prayers. I believe that in whatever we do especially in the endeavor for the gospel, prayer is the prime mover. For laborers, for souls..without Him we can do nothing.

Mission in action-Deeper into the Disricts and Sub- districts

In my last newsletter, I mention about Atambua. It is the city of Indonesian West Timor that lies immediate to the border and is even closer compared to some of the districts in Timor Leste. In August we went to one of the Districts in the Eastern end (or Ponta Leste) called Lautem and The Capital is Los Palos. One of the Sub district is Iliomar where one of our young people took a man and settled. Our target is to establish an outreach there. It took us 5 hours to travel by motorbike from Manatuto to Los Palos via Baucau and another 4 hours from Los Palos to Iliomar. The nine hours journey is exhausting and take a toll physically on me considering that the road is very bad and dangerous. It was my longest travel on motorbike ever. In September, we went to the District of Manufahi. Another young people, the older sister of my assistant Pastor also took a man from the Sub district of Alas and settled there. It was a 5 hour ride by motorbike from Manatuto via Natarbora. No electricity in the area. I preached two nights with only a rechargeable lamp to read my Bible. My message is “ Jesus the light of the World”
