08 January 2025

Dear Praying Pastors and Churches,
A blessed 2025 to you all.

This is going to be my 24th year in the foreign field. In all my life, I have never thought that one day I would die serving the Lord in foreign land. I would be 60 years old in less than 2 years. I prayed God would grant me no more than 5 years and maybe go back and teach in Bible School and motivate younger generation of Missionaries. I told myself to wind down a bit for the sake of my depleted strenght. Then opprtunities keep on coming.To my surprise, 2024 becomes the busiest, most traveled and most tiring in my entire of missionary life.

Back to Action

Second week of December was our Thanksgiving and Church foundation day, Baucau has been left untouched after 2 weeks but it has been dragged until the New Year. Timorese has a culture of long holiday and tolerance day. I call December is a menace to missionary projects. Thank God it's January!

Meet our local Missionaries and Preachers

While there are a lot of things that are happening in the last quarter of 2024, I would like to introduce to you my Timothy's in the ministry. This pictures were taken when I attended their works culminating activities before the year ends. Please pray for these local few good men fighting in spiritual battlefield.
