Church Planting in Charleville-Mézières, France

June 15, 2021

Dear Supporting Friends,

When God calls someone into the ministry, it is with the understanding that the work is about people. Reaching the lost and bringing them along in their Christian faith does not happen magically. It takes time and effort, and there are definitely some growing pains! I once heard someone in ministry say, "I want to be involved in church planting, but I just don't want to have to deal with people's problems." What a strange attitude! Dealing with others' struggles and hurts should be an essential part of every ministry.

Last year, we asked prayer for a young South African girl named Love who had trusted Christ. Since that time, she and her mom, Huguette, have been steadily growing in their walk. In May, Love had the opportunity to be baptized, and she didn't hesitate! Please pray for them as they wait for the final word on their refugee status. They have already received a preliminary response that was unfavorable but are appealing the decision.

Emilie is another lady who was saved in 2020. We have spent many hours since last June discipling and teaching her the Word. Although she has battled many physical problems in the last year, her faith has grown stronger, leading her to be baptized in May. Emilie's resident status is also unclear. Would you please pray that God's will would be done in her life?

Pray with us that God would continue leading us to the struggling and needy in our community. Charleville-Mézières needs Jesus.

In Christ,

Danny Flowers
