I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

December 2019

Dear Friends,

We want to start off our letter wishing you a very Merry Christmas and Happy New Year. We also want to thank each of you that have given special Christmas offerings to our family. We are very grateful and humbled by your thoughtfulness and generosity. We pray God blesses you with a great Christmas and New Year.

In recent letters we have asked prayer for many people in our church. In our last letter, we asked you to pray for a young lady with the English name Janice. Janice is the older sister of Wendy. Wendy is a member of our church and ever since joining Hope BC, she has been such a blessing. Janice, however, is not a Christian but has been faithfully coming with Wendy every week. Three weeks ago God gave me the opportunity to open the Bible and share the gospel with Janice one-on-one. She told me she understands the gospel and what Jesus has done for her, but she still has many other questions about the Bible. Her sister Wendy told me she

is praying for Janice's salvation and asked that we would do the same. I told her we have already been praying for her salvation. I also told her I would ask others to pray for her. I believe Janice is close to getting saved. Please pray that God would continue to work in the heart of Janice. Please pray that she would trust Christ soon.

Would you also pray with us about our annual winter camp? January 20-22 are the dates for camp. Please pray that God will have His will and way in the lives of the young people that will be in attendance.

Thank you for praying for our October missions' month. Our church promised to give \$800 a month to missions. In October, we also had a ladies' tea. April and our ladies worked hard and God gave them a great time. Thank you for praying for our missions' emphasis.

Thank you again for praying for our family and for the people of Hope Baptist Church. We look forward to a great new year and are expecting God to do great things. We are praying for you.

Merry Christmas!
