MISSIONARIES TO INDIA

February & March 2021 Prayer Letter... 3-30-2021

February and March were busy months for our family and ministry. We were able to present in several new churches as well as update many of our current supporters as we traveled through GA, TN, and SC. We are grateful for each new supporting church and the many opportunities given to preach and challenge God's people concerning missions. Each day I pray for opportunities to share the Gospel with someone intentionally and the Lord has yet to fail. May God give the increase as we plant and water the good seed of the Gospel!

In February I was informed that India may be open to those who hold certain Visa types. This was confirmed in March when a fellow missionary to India was able to apply for and receive this Visa. They have just returned back to India at the end of March. We are currently acquiring all the documents for myself and family to begin the process of applying for this new visa as soon as possible. It's our prayer that our next update will share our return date back to India with plane tickets in hand! *"He brought me up also out of an horrible pit, out of the miry clay, and set my feet upon a rock, and ESTABLISHED MY GOINGS."* **Psalm 40:2**

Sunil is doing well and continues to grow spiritually. We were able to meet several times by Zoom conference during these past two months. I've challenged him about his personal devotion and prayer life encouraging him to place God first in his life and daily routine. Almost everyday he shares with me what he has read (normally six chapters each day) and what he has learned from the text along with any questions he may have. Continue uplifting him in prayer that God will use him in the days ahead to reach his country and people!

Please know that we pray for all the church families and individuals that prayerfully and financially support us. It is our desire to serve and be a blessing to you. If there is any way we can be a help or give an update, you can reach us at the following:
