

What a privilege and a blessing it is to serve the Lord as missionaries. After pastoring for 20 years, God led us to Romania in July of 1994. Any sacrifices that were made have been overshadowed by the riches of His grace. There were trials and many tears that were shed, but to taste the goodness of our Lord, we will never forget.

Our enthusiasm has never diminished. Our energy has been challenged with age, but our passion to serve Him is immeasurable. God’s hand has strengthen us when we were weak. His provision far exceeded our modest expectations. To be a partner with Him is the highest honor anyone could have!

My Heart’s Journey

My heart has taken a journey across the sea,
To a land that God had destined for me.
A place that was never in my thoughts of dreams,
But today I have seen her gentle streams.

There in the distance were mountains capped with snow,
My love for her was more than any could know.
My soul has traveled to heights I cannot tell,
With great joy it now sings, “all is well”!

Today I walked through her vineyards, lost in eternity,
Each step I took, I wondered why God has chosen me.
Then my spirit was lifted, it had wings like a dove,
Now I see Romania as God does above.

It was more than this land that brought me such pleasure,
I was standing in God’s harvest field, that’s my treasure.
The winds lovingly embraced my heart,
He has taken me to this land, my soul will never part.
