### GREETINGS FROM DENMARK!

We are so thankful to the Lord to be here in Denmark. Being here brings us one step closer to reaching Greenland. We took about a week and a half to get settled in and somewhat acclimated to our new life before jumping into language school. We have a wonderful teacher who is patient and kind but also very thorough. We now have several hundred words and phrases in our heads, it is just a matter of remembering them all and saying them correctly. Spoken Danish and written Danish is often very different, so we find it difficult sometimes to remember the correct pronunciation. But the Lord is giving grace and we are progressing.

### VISA APPLICATION

We praise the Lord that we had no issues in applying for our visas. We have also received word that the applications are in process, and we have been given permission to stay in country until the visas are either accepted or denied. Now, we are just praying that we will receive our visas in a timely fashion.

### OUR NEW HOME

Another answer to prayer is that the Lord has given us long term housing! We initially rented a one-bedroom apartment in downtown Copenhagen on Airbnb. While it met our basic needs early on, we knew it would not

work for the remainder of our time here. We began looking for housing and eventually God led us to our new home. It is a three-bedroom townhouse with plenty of space that will fit our ministry needs. We had been praying God would give us something by December and He did! We received the keys on December 1.

*But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law, to redeem them that were under the law, that we might receive the adoption of sons (Galatians 4:4-5).*

### CHRISTMAS PROGRAM

We are thankful for the ministry opportunity to help Grace Baptist church while we are here. Just this past summer they were finally able to meet after over a year of strict COVID measures once again. We were excited to be able to put together and have a Christmas program on the 12 with several in the church participating. It was such a blessing to have a lady that had not come in quite some time join us for this special service.

### COVID RESTRICTIONS

With the arise of COVID cases and the new Omicron variant, the Danish government has once again begun to introduce lockdown restrictions. Please pray with us that these restrictions would not affect the ability to meet and that we would see God grow His church during this time.

### MERRY CHRISTMAS

We are thankful for another opportunity to celebrate our Savior's birth and remember why He came. In a culture living in such darkness, what a joy it is to focus on the Light of the world: Jesus! We hope you will have a merry Christmas and a happy New Year! Should the Lord give us another year, we are excited to continue to faithfully serve Him.

In Christ,
