Dear Friends & Supporting Churches,

Time marches on and the borders continue to stay closed. Just last week, Denmark reinstated certain restrictions making it seem as if things are going backwards, not forwards. And yet, despite these undesired circumstances, we know the God who holds tomorrow. We do not understand His plan, but we can trust Him. Probably one of the biggest lessons God has been teaching us during this time of waiting and not knowing our next step is that we must make our will, His will. If we are not careful, we can make plans for how and when we serve God, but we do not yield those plans to Him. God has used Covid-19 to completely obliterate our plans and to force us to wholly depend on the Lord and His plans.

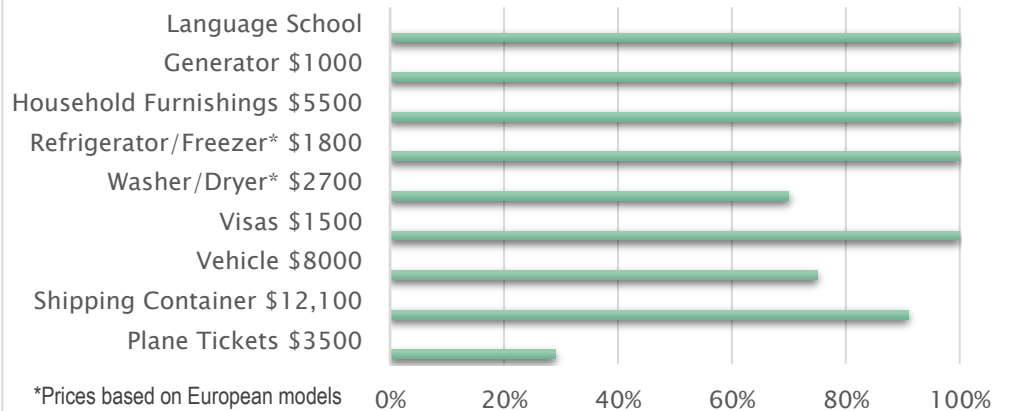

"For that ye ought to say, if the Lord will, we shall live, and do this, or that." James 4:15

We were able to have two meetings in August, one in Illinois and one in Kentucky. In the meantime, we have been plugged in at our home church. Two more churches took us on for support in September, which now puts at 94% support, praise the Lord! We do want to thank all who prayed for Aleah's mom. Her recovery from pacemaker surgery went well, and she is doing great.

Please be in prayer for our home church. Covid-19 has finally hit and several members are affected including Gage's parents. Lakewood's revival meeting is scheduled for the 18-21, and the desire is to have in-person services. Also, please pray that we would not have the virus since we have several weeks of scheduled meetings starting on October 14.

In Christ,
Gage & Aleah Gilbert
