

Sharing Christ to Greenland

To open their eyes, and to turn them from darkness to light... Acts 26:18

Gage & Aleah Gilbert

Dear Friends & Supporting Churches,

July 2021

THE BORDERS TO DENMARK ARE OPEN!

As June began, I was preparing to write this prayer letter. Denmark had been increasingly opening up its borders to other countries, but America was still not on the list. Then, Gage saw an article that said Denmark was open to America under a certain consideration. He began doing more research and reached out to a contact in Denmark seeking clarification. But then, another week passed and we saw that Denmark had officially moved America to their list of countries approved to enter with a negative COVID test. Praise the Lord! In the roughly two weeks since we have learned the news, Gage and I have been praying, praising, and planning. We are excited to announce that we now have tickets in hand and will, Lord willing, be leaving for Denmark on September 13!

“Faithful is He that calleth you, who also will do it.” 1 Thessalonians 5:24

Along with tickets, we were also able to complete our exit interview with BIMI, and we have found a place to rent. Our next steps are to begin going through and packing up our belongings. We would greatly appreciate your prayers for us in regards to the work to be done to make this move happen.

Thank you to all who were praying for Gage’s recovery after having his wisdom teeth removed. He recovered well with no major issues. We also want to praise the Lord for good meetings back in April and May with three more churches taking us on for support.

Next week, we have the privilege of taking Lakewood’s (our sending church) teens to camp at the Bill Rice Ranch. While it will be a time of enjoyment and fun activities, we are looking forward to a concentrated time of hearing from God’s Word. Please pray for the teens, and us, to be refreshed and challenged by what they hear, and that many good decisions would be made for the Lord.

The Lord has been so good to us in providing for and meeting all of our needs and He has done it through you! Thank you for your faithfulness to Him!

In Christ,
Gage & Aleah Gilbert

PRAISE THE LORD!

- 3 more supporting churches
- Open Borders!
- Tickets booked

Please continue to pray for

- Our moving process
- Wisdom in decisions
- Camp with teens

Greenland Facts:

Greenland is home to thousands of hot springs, but the island of Uunartoq, located in South Greenland, is the only place where the hot springs are warm enough to soak in. These springs average 100° and are heated by geothermal subsoil (deep layers of the earth’s crust that rub against each other) rather than volcanic activity.
