Dear Brethren,

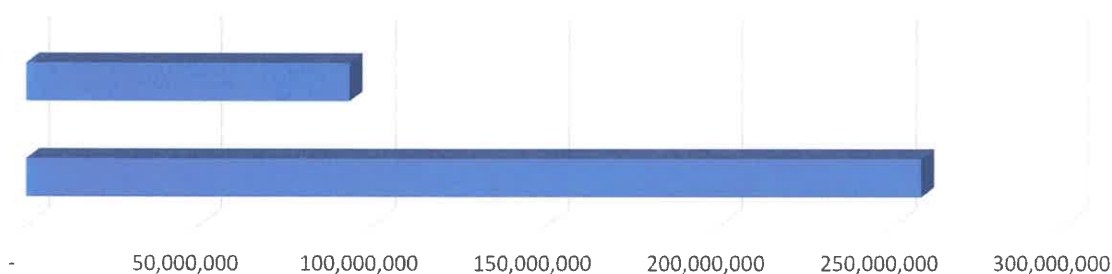

93,263,121 SCRIPTURES DISTRIBUTED AND STILL NOT ENOUGH

There are still people who do not have a Bible to call their own

Our Mission is: *A copy of the faithful Bible for every person.* Is that even possible? Well, by faith we established a yearly distribution goal of 8 million copies of the Portuguese Scriptures shortly after my becoming the General Secretary of the Trinitarian Bible Society of Brazil, back in 2011. Just take a look at what GOD did:

From 2011 to 2021, we distributed 7,347,803 complete Bibles, 70,190,352 New Testaments, and had 15,724,966 Bible App users, making the **total number of Scriptures distributed 93,263,121, for a yearly average of 8,478,466.** To God be the glory! Great things HE hath done! We realized that through our own efforts this would not be possible, but we serve a Great God, and HE made this happen through HIS people.

Total Portuguese Scriptures Distributed vs. Total Portuguese Speakers

We rejoice in the past, but look to Him for the future. According to babel.com*, there are **258 million Portuguese speakers.** **There are still people who do not have a Bible to call their own.**

How are we going to get *A copy of the faithful Bible for every person?* **It boils down to one person at a time.** We are simply seeking to obey the Great Commission of our Lord (we are Bible Distributors *and* we are Soul Winners). **Can you help us reach the hands of at least one more person?** We have four printing projects awaiting funding right now. Our Bible distribution fund is dried up, because we gave. Praise the Lord, there are still churches, prisoners and individuals wanting and needing Scriptures! No offering is too small nor too large. **God multiplies. We serve an Awesome God!** Thank you for praying and giving.

Yours fellow servants in Brazil,
