February 2024

Patsy and I were able to attend, and I was invited to participate in the ordination of Samuel Garrett, held under the direction of Pastor Josh McBryar of the Tabernacle Baptist Church in Greenville, South Carolina. Samuel has been serving as Pastor of the Iglesia Bautista Fundamental Berea for some time. He is the son of the late Missionary Bob Garrett and his mother Sharon. His sister Elizabeth is also greatly involved in this Hispanic church. The Hispanic church is an extension of the Tabernacle Baptist Church.

We counted this a real privilege, but also a milestone in the life of Samuel and the congregation. Some of you may remember that I traveled most every weekend for 16 months to assist and help stabilize the ministry after Brother Bob Garrett's passing. Because Patsy was caring for my mom who had dementia, during those months, she was not able to travel with me, and I did not want to be away 24/7. It is a blessing to see how God continues to bless "Berea" with new members and souls being saved. We have developed a real love for the Garretts and the folk of this Hispanic church. BTW, I was able to do my part in the ministry there due, greatly, to your faithful prayers and financial support. **THANK YOU SO MUCH!** The blessings in that ministry, the souls saved and disciplined, in recent times, will definitely go on your account (Philippians 4:17).

Please continue to pray for other aspects of the ministry. I am working on video recording a Spanish course on the small book of Jude. This will be available for use in the seminary in El Salvador and other Bible Institutes. I have had requests for some of our books from various places including Costa Rica, Mexico and the USA. God has stirred interest in the new booklet for young people, "Young Person, Delight Thyself In The Lord."

Patsy had some dental surgery this past week and was bless through the process. **We thank God.**

THANK YOU AGAIN AND MAY GOD BLESS YOU GREATLY IN 2024.
