Dear Praying friends,

“And he said, My presence shall go with thee...” Exodus 33:14
“And when he was entered into a ship, his disciples followed him.”
Matthew 8:23

When God called Moses to lead the nation of Israel out of Egypt and into the Promised Land, God promised that His Presence would go with him. As the disciples struggled to keep their boat afloat during the storm, we are reminded that they were in the ship because Jesus entered the ship and they followed him. What an encouraging thought after nine months of pandemic; first we must remember that we are here because we followed Jesus, and second, we must remember that when He called us to go, He also promised that His presence would go with us. Not only are these great promises as we move into the future, but they give praises as we look back over the past. We praise the Lord that He has been with us the whole way.

In the month of November, we were able to begin hosting the church services in our home with up to twenty people in attendance and the others attending through live stream. Now, in the month of December, we were able to move all services back to the church building. Please continue to pray for Jeisy and Omar, two young adults from Venezuela. In January, Jeisy and Omar will be traveling back to Venezuela to be married in the presence of their family and they have asked me to have marriage counseling with them before they leave.

Please be in prayer for a possible furlough in 2021. In January we will complete three years in Argentina. There are many questions that must be answered first, like travel restrictions to the United States, and restrictions on coming back into Argentina. In January of 2022, we will be able to apply for permanent residency in Argentina and must return to Argentina before December of 2021. Also, please be in prayer for God’s clear guidance as to our next ministry step after furlough.
