December 2022

Dear Prayer Partners,

Merry Christmas and a happy New Year. So much has happened in the last couple of months that it will be difficult to fit it all in. One of the biggest events for Argentina is that we won the soccer World Cup. I cannot express how important this was to the Argentine people. It is truly a matter of national pride and patriotism. We knew it would be big yet, we were still surprised to see their celebrations. I'll share a few videos with the email.

On an even more important note, please pray for Monica and William. Monica and William own and operate a small vegetable store where April likes to get groceries and in the last few months she has befriended them and witnessed to them. One day after shopping, they walked April outside and told her of their decision to attend church with us. Please be in prayer for their salvation.

During the last few months, we have taken a couple of survey trips praying for God's direction for us concerning the next phase of church planting in Argentina. After much prayer and counsel, we have settled on the city of General Roca in the Rio Negro Province. General Roca is a city of over 130,000 people about 6 hours from our current location. It is also in the middle of over 100 miles of communities with no Baptist church that we are aware of. However, you will find lots of Mormon, Jehovah witness, Seventh day Adventist, charismatic and Catholic churches.

Now that we have settled on a direction for church planting, before making the big move, we want to take a furlough and share many of God's blessing with you and more details about General Roca and the Rio Negro River Valley. Our desire is to take a furlough this year for the months of May through December. Soon I hope to be in contact with you and plan a time to visit and report to your church.

Thank you for your faithful prayers and support
