Missionaries in the country of ARGENTINA

October 2022

Dear Prayer Partners,

What an exciting adventure it was to attend the youth conference in San Rafael, Mendoza. This was our first time visiting the Mendoza province and the first time getting to see snow in Argentina. Mendoza is closer to the equator than where we live, but it is also close to the Andes Mountains where lots of snow is common. It was also great to see how the people and culture can differ in other parts of Argentina and to meet many other Christians, missionaries, and Argentine pastors. The services were tremendous, and God did a wonderful work in many hearts. Our boys, Caleb, and Joel were able to use their instruments and play a couple of special songs, and we all participated by singing a special as well.

Thank you for praying for the conference.

Please be in prayer for us this week as we plan to take a survey trip to the Rio Negro Province of Argentina. We will be focusing on the Rio Negro River Valley where we have identified multiple cities with no church of like faith. In fact, the only churches of like faith that we are aware of are in the neighboring province of Neuquén. There are, however, many charismatic churches, Mormon tabernacles, Jehovah's witness kingdom halls and many catholic churches. We will be crossing into the Neuquén province and visiting with one of the two Baptist churches there and participating in their church services.

Thank you for your faithful prayers and support
