

David & Jenny Harris

Assisting Church Planting in Asia & the North Pacific

MERRY CHRISTMAS

December 2020

Impacting Others for the Harvest

The last half of this year has been a whirlwind of activity as the Lord opened some wonderful doors that to us are thrilling. After our Director's Meeting in August, I flew to California to teach missions classes at West Coast Baptist College. Jenny and Josiah were able to join me in October. This is a volunteer position that allows us to influence those preparing for ministry. It also enables us to visit churches on the west coast challenging others for the harvest. We praise the Lord for the many churches we were able to visit.

Pastor Chappell has invited BIMI missionaries to teach missions for many years in this role of "teaching others also" (2 Timothy 2:2): Dr. Don Sisk; now pastoring and former BIMI missionary, Clark Graham; Dr. J.B. Godfrey; and Bryan Stensaas. Now, we have been able to help with this great need. Imagine the blessing of getting to impact several hundred young people preparing for ministry and seeing God call more laborers to the harvest!

One of the great privileges we have as directors is to visit Bible colleges to challenge young people about the needs of the harvest. This is one of the main reasons a director needs monthly support. Many of these trips can cost hundreds of dollars since we have to pay our own way to and from the meeting, secure a hotel, pay for food, etc. Yet, this gives us opportunities to challenge the next generation of young people for the harvest as we seek to find those whom God is calling to take the Gospel to the world! Thank you for your generous and faithful support that helps us share the needs of the harvest with others! We greatly appreciate your help!

During our time in California, teaching outdoors, and being in a bit of a different place, we were able to see souls saved and numerous young people called into missions. Pray for us as, Lord willing, we will be headed back to California in January to teach four more missions courses as well as getting to present the need of laborers in more churches. Pray that God will use us to see a host of young people surrender to take the Gospel to the world!

"The harvest truly is plenteous, but the labourers are few... Pray ye therefore..."
Matthew 9:37-38
