Missionaries to Zambia

JULY 2023 UPDATE

Greetings in Jesus name!

We are at the end of a very full three months of ministry! We hosted a medical clinic at Chikoka BBC, and over 800 people were helped with medical and dental needs. The church members stepped up volunteering in many ways: translating, enrolling, and evangelizing to name a few. The 8 days of ministry ran smoothly and was a wonderful way to show and share the Love of Our God! We also hosted two men from a supporting church in New Hampshire. We held a Leadership Conference for several days, teaching through the qualities and qualifications laid out in 1 Timothy 3. We made audio files of all the sessions and they will be available for the churches to rehearse the lessons over and over.

We have been making progress on a few projects, one of which is some latrines for a village secondary school near many of our churches. They have over 350 students in enrollment, and only two very overused toilets. We will be building 4 - 2 sided toilets, for a total of 8. This is a Much Needed addition to the school! The classrooms are over crowded, and they have many other challenges but we are grateful for this school! We hope to make more investment into the students in the coming years, and we ask for prayer and the Lord's guidance as to what He would have us do.

We are making a quick trip stateside! Micah and Lena will be marrying in September. We are so blessed to be adding a delightful new Daughter-in-Love!

GTZ Mugs are still Available!

The churches continue to do well, and have organized regular meetings for youth, women, and "All Church United" services. The many years of faithfully teaching and preaching is yielding dividends! It's wonderful to see each church growing in hospitality as they rotate which one will host these different events. We continue to pray for wisdom on how to lead these faithful followers of Jesus, and also for laborers to be sent into the harvest.

This is Mr Kayela, "CK", age 75. On July 19, he fell and broke his femur bone at the ball joint and has yet to get surgery. He is in a great deal of pain, but has been unable to get the proper care. We are praying today can be the day he will be transferred to a capable hospital. We ask for prayer for him, the surgery and his recovery. He is a vibrant faithful man who loves the Lord! Also be praying for two other families who have lost loved ones. One was an 87 yo grandfather, and the other an 8yo young girl.

Thank you for Praying!
