Ministry Update

August 2022

A muslim man recently came to our church center and asked me if he could come to our church service. I told him that he was welcome to attend our church anytime and I gave him one of our church brochures. He looked at the brochure and said to me, "So, I am welcome to come?" You see, this man assumed that our church was only for Christians. But our church is for all people, Muslim, Christian, saved, or unsaved. This conversation I had with this man reminds me of why we are here. Some are seeking. Some are lost. But all of us need the Savior. We simply don't know the needs of people's hearts, but God does. The grace of our Lord Jesus Christ welcomes all people to come to Him in faith. And to those who come to Him in faith, believing, God says He will in no wise cast out (John 6:37). Pray for this man and others who come on a weekly basis seeking to know and hear the Word of God.

In July, we had the wonderful opportunity of hosting BIMI missionaries in Senegal, Josh and Julie Mead, as well as pastor Malick Diop and several others from their church in St. Louis, Senegal. It was a busy few days of ministry as we hosted our second annual Biblical Faith Seminar as well as a soccer outreach in our town. Our church family was thrilled to host these events and God continues to bless by bringing new people to our church who are seeking the truth of Jesus Christ and sound Biblical teaching. A few weeks ago God brought the Nyassi family to our church through their son who is a friend of a young lady in our church. Their son started attending a few months ago and through his influence the rest of the family started attending faithfully each week. This is just one of many examples of people at our church inviting others to come hear the preaching and teaching of the Word of God. I often say to my wife I don't know why these people keep coming back to church each and every week because it is certainly not because of us or anything we have done! But God keeps blessing and bringing new people nearly every week who are seeking Biblical teaching and encouragement.

Church Building Update

The preparations for the construction of our church buildings this fall are well underway. We are looking forward to hosting our first construction ministry team in November, as well as 4 more teams from Jan - Apr. In our last prayer letter, we mentioned that we were pursuing a second ministry property to purchase not far from our church property in Busumbala. Well praise God, last month we were able to finalize this purchase of the second location in Latriya and God has already provided the funds for this land! Our plan is to utilize this second ministry property for housing but also as the location of a future second church plant led by a national man we are training. Our only need currently is \$5,000 for a borehole well on this second ministry property in Latriya. Thank you for praying for our family, the church in Busumbala, and the upcoming construction going on this fall.
