

THE FLOWERS

Missionaries to Taiwan

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life.- John 8:12

June 2019

Dear Friends,

One letter is really not enough to explain how God has been working. In our last letter, we asked for prayer concerning a van. We are so happy to share how God heard and answered this prayer. We found just what we need in the city of Taichung.

We also asked for prayer concerning our finding a new location for the church. Three weeks ago we found a location for rent not far from our current church location. The new place is two floors and double the size of our current location. I immediately felt that this could be where God wants us to move. The only problem was that we needed to negotiate with our current landlord. Our contract was through the middle of September; but if we waited until then, the new location would be gone. When we sat down with our church landlord and told her what was happening, she told us, "For you and the church, I would let you out of the contract with no penalty tomorrow."

Praise the Lord. One of the men in our church was with me and as we left, we stopped and prayed to thank God for His kindness to our church.

Once we had the okay from our landlord, we went and signed the lease for the new place. This will be a great blessing because our church is in great need of the extra space. Our attendance has been growing. With the attendance growing, our children's ministry has also grown. Thank you so much for praying for us. We are now in the process of getting our new place ready for our first service. Please pray that we can get everything ready for Sunday, July 7.

After our services on June 17, our church walked down to look at the new place and then we had a time of prayer to thank God for His answered prayers. We also dedicated the new church building to God. What a blessing! Our people are very excited about this move. Thank you for praying for us concerning this move. We look forward to what God is going to do in our new place.

Please keep praying for April and the baby. She is due the end of August. Would you also please pray for our church's upcoming English day camp? Camp will be July 22-28. This year we will have 31 attending our day camp. Pray for the hearts of the children that will be in attendance.

Thank you for your faithful prayers and support of our family. We could not be here without you. We hope God blesses your summer in a great way.

For Him,

Jon & April Flowers
