## MISSIONARIES TO INDIA

July & August 2019 Prayer Letter... 9-3-19

July and August have passed by in a blur as we continue to labor in the language and learn more about the unique culture and people of India. God is working here in Delhi and we pray that He will raise more laborers for the harvest field!

In July I had the opportunity to help contribute a Gospel translation in the Hindi language for "Commission", a smart phone application. This allows anyone from their smart phone device to share a complete, Biblical presentation of the Gospel in Hindi. We are currently working with some friends along side the ministry here to produce a small booklet with the primary goals focusing on sharing the Gospel and explaining the importance and purpose of the church. Pray for each of these endeavors as we all strive to make the Name of Christ known in India.

In August we were able to be a part of a "Friends and Family Day" in the Roberts Family's church plant in West Patel Nagar, India. Many new faces were present and the church was full! It's hard to describe the feeling of seeing someone hear the Gospel for the first time and it is a constant reminder that the labor is not in vain. It is a blessing to be able to learn from this church family and from the Indian Pastors. We look forward to what God has in store for India.

Each Sunday Celeste does a small class with around ten to twenty children in a Kid's English Club. They sing some Bible songs, learn a verse of scripture, and earn a few small prizes while learning more about Christ. Below is a picture of their attendance and participation chart. Will you join us in prayer over each of these names that they will accept Christ and give their lives to God. There is no telling what the Lord will do with one of these precious souls! ~ **"The Lord is...not willing that any should perish, but that all should come to repentance."** 2 Peter 3:9

Again, we truly appreciate you all for upholding our family in prayer each and every month. Keep holding the ropes!
