Dear Family and Friends,

Thank you for your faithful prayers and support. It has been a full 3 months. April was spent preparing to sell my house, and we closed on May 27th. I could not have done it without my parents and friends as I was traveling all of May. May and June were full of meetings from Florida to Pennsylvania. What a blessing it was to spend time with friends and make new ones! God has truly blessed me with amazing friends who have hosted and treated me as part of their family.

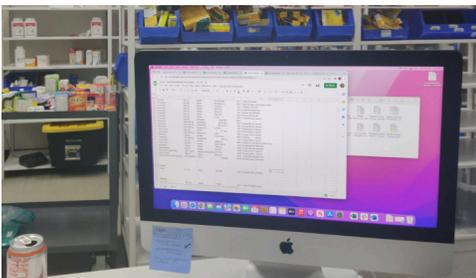

A highlight of my travels was watching a young lady from Hope's Children's Home in Honduras graduate from nursing school and get married. The Single Vision Conference was a blessing as so many young single adults made decisions to serve the Lord. I had the opportunity to co-host a session with a dear friend. We really enjoyed sharing our hearts for ministry!

Since selling my house, I have moved to McDonough, GA, near the MMO headquarters. Moving has given me the opportunity to help pack for trips, inventory surgical supplies, and prepare supplies for shipment. I am continuing preparations to move to Honduras, and am excited to see how God continues to work in the next few months.

My car was recently one of several vehicles that incurred major damage from debris on the road. I am so thankful no one was injured, and I am working with my insurance company to figure out the next steps. Please pray with me that the resolution is reasonable and that God will show me the next car I need.

Thank you for all who prayed for the needs at the Rearick Surgical Center! The water filter and dedicated water pump have been purchased and installed! These will make a huge difference in the workflow at the RSC! Please pray as our teams prepare for upcoming trips as well as the patients and church volunteers. I am continuously amazed as I watch God put these teams together!

Helping out at the MMO Pharmacy

My sweet friend began a new phase in her life
