Dear Friends and Dear Ones in Christ,

We are so grateful for you dear ones who have supported us so faithfully. Only the Lord can repay you for your faithfulness.

We just wanted to thank you for praying for Jimmy and myself through all of our sicknesses. I have had knee replacement surgery and then cataract surgery on my left eye. I am so glad to report that I am doing great and on my way to recovery. I cannot say the same for my husband, Jimmy. He is still really weak and is on dialysis nightly and needs your prayers.

We wish to thank you all who have sent special offerings at this time to help with our medical needs. We are so grateful for the churches that have faithfully supported us, even in this time of sickness.

Please continue to pray for us. We love you all in the Lord and, as my husband has always said, we must "keep on keeping on."

Listening and Waiting for the Trumpet,

*Jim and Nancy Rose*
