Missionaries to The State of Utah

March/April 2020

Dear Faithful Supporters & Praying Friends,

We had a mild winter here in Utah and this has allowed us to do more outside activities than usual. The month of March was busy, for I had the privilege to preach in two revivals, one being a Missions Revival. At the end of the month, eight men and I from Mt. Logan had the opportunity to go back to S.C. to the Mighty Men's Conference and as always, it was a great encouragement to all.

God has opened a great door for Intermountain Baptist Ministries and the Davis Family. As you know, the Davis Family are members of our church and they are currently on deputation to plant a church here in Utah. We were approached by a church in Taylorsville, UT, about a building they owned. The family that had a work in this location went a different direction doctrinally and the building became available. After meeting with the Pastor and church who owned the building, they agreed to give us the building so that the Davis Family could plant a church! It is in Ogden, UT and has a population of 90,000 people with one IFB church. The church needs a little work done on the inside and out and if you are interested in helping with this, please contact me and we can discuss what needs to be done!

On Easter Sunday, I had the great privilege of baptizing two people. One was a 6 year old girl named Everly. Her family has been coming since she was one and she gave her life to the Lord recently! The other was a 28 year old man named

Scott. Scott had been coming off and on for 5 years but in the last year, he has been faithful and rededicated his life back to the Lord. Scott had never been biblically baptized so he took that step of obedience and joined the church.

Brother Bobby Stewart with "Faith for America" came out in April for a 3 day revival. We had two State Representatives and a State Senator come that was invited by one of our members. Our hearts were stirred by the preaching and pray that the fire continues within our souls.

Aundrea is recovering well from gall bladder surgery and the girls are doing great. Everyone is busy with school, college, music lessons, and more. Thank you for your support and we have some more exciting news that will be in our next letter!

Because of Christ,

Nathan A. Kirkman
